### NEW OPENINGS IN VASTNED'S PORTFOLIO

#### MICHAL NEGRIN

We are proud to announce that **Michal Negrin** has chosen Antwerp to open its first shop in

Belgium. They are located in the famous **Schuttershofstraat**, one of **Antwerp's** most luxury shopping streets. At the occasion of the arrival of Michal Negrin, Vastned Retail Belgium has renovated the façade of the building.

Michal Negrin is an international brand with more than 65 shops worldwide, it offers vintage-inspired original hand-crafted jewelry, fashion and home décor.

#### ACTION

Blokker has decided to leave the shop on the **Elsensesteenweg 41-43 in Brussels** by the end of August.

We are pleased to announce that a new lease agreement has been signed with **Action** for this location. After some renovation works, Action is planning to open the store in the last quarter of this year.

Action is a fast-growing international non-food discounter with shops in the Netherlands, Belgium, Germany, France, Luxembourg and Austria. They offer products at very sharp prices and they have a diverse and fast changing variety of products. Action has been chosen as "the Retailer of the Year Europe" for the year 2015 and 2016.

#### MEDI-MARKET

**Medi-Market** will enter the store on level -1 on the **Elsensesteenweg 41-43 in Brussels**. Vastned was able to find a new tenant for this shop. The opening of Medi-Market is foreseen in the last quarter of this year.

Medi-Market is part of the Belgian Group Medicare-Market. Medi-Market has expertise in the healthcare sector and is able to offer a wide variety of products and services of a superior quality at sharp prices. They currently have 10 shops in Belgium and Luxembourg and are planning to expand the market with several other projects in 2017.

#### **TOM & CO**

The departure of Charles Vögele was a great opportunity for **Tom & Co** to **expand** their current sales area in **Philippeville**. By moving to the adjacent building (old unit of Charles Vögele), they are able to increase their sales surface area with more than 30%. The opening is foreseen in the course of May.

Tom & Co is specialized in animal food and attributes and has several sale points in Belgium, France and Luxembourg.

We would like to welcome our new tenants and we wish them all the best.

---
